

Director/OSP

John -

We have been asked to give a final DD/S&T review and concurrence to the attached draft paper for CCPC on the Progress of Intelligence Collection against the Soviet ABM Program.

25X1A

██████████ and ██████████ contributed to the DD/S&T version which has now been incorporated with that of DDP and perhaps other sources. The report is being reviewed also by OEL, ORD, OSI, and ██████████ for the A/DD/S&T concurrence.
